### THOMAS HOE AGED RED LEICESTER

Made by Long Clawson Dairy, in the Vale of Belvoir, this fantastic aged Red Leicester is perfect for any cheeseboard. With the usual rich orange colour it has a lemony and slightly sweet flavour reminiscent of caramel. The only pasteurised Red Leicester made in Leicestershire.

### TRUE GRIT

A farmhouse Cheddar made in Preston it is matured for longer to give a full rounded and strong flavour. The gritty texture is created by the salt crystallising in the cheese over time, hence the apt "True Grit" name.

### BLUE MONDAY

Made by Shepherds Purse Cheese Company for Evenlode duo Juliet Harbutt and ex Blur bassist Alex James the cheese is named after the famous New Order song. It is a complex, bold and creamy blue cheese with distinct cracks and streaks of spicy blue. Made with pasteurised milk and vegetarian rennet.

### TUNWORTH

Made by the Hampshire Cheese Company, this is a former Supreme Champion at the British Cheese Awards. In the style of a Camembert it has a long lasting sweet and nutty flavour. Made with unpasteurised cows milk and natural rennet.

### RAVENS OAK

Ravens Oak is made in Preston using pasteurised local goats milk. It is a soft, mould ripened cheese, similar in consistency to a Brie. The curd is a brilliant white which softens as its ripens from the outside to the inside. Ravens Oak is suitable for vegetarians.
